

INSIDE BACK

All our upholstery has unique channeled backs and are filled with siliconized fiber, preventing flattening or shifting.

FABRIC AND WORKMANSHIP

We combine traditional hand crafted expertise with advanced technology. Top trending fabrics along with proven fabric winners are tested for quality and durability. Tailoring is skillful and precise on innovative designs with above industry standard warranties.

STABILIZER BARS

Warp free stability.
Extra support for front and back rails.
Exceptional durability!

ZIPPERS

Zippers are on all toss cushions, inside backs and seats. Seat cushions have a home pocket for all zipper tags.

SINUOUS SPRINGS BACK

All backs are also sprung with 12 gauge No-Sag sinuous spring construction!

ARMS

Arms are padded for ultra comfort.

WEBBING

Reinforced webbing suspension on outside arm and outside back. Great value to you!

TOSS CUSHIONS

Blown dacron fiber or water fowl feather encased in a 100% cotton twill are used in all our zippered toss cushions. Larger water fowl feather toss cushions are uniquely channeled preventing flattening or shifting.

HARDWOOD FRAMES

Designed and engineered from select, air or kiln dried North American maple or birch hardwood. Corners are double-doweled, corner blocked, glued and secured with screws. Extra centre leg (where necessary).

DECKS

Full covered decks with the body fabric. Our decks are padded demonstrating our attention to detail.

LEG

100% Solid wood
Color options available.

ADDED VALUE

Large deluxe edge roll is added to hold seat cushion in place.

ENVIRONMENTAL GREEN SOYA FOAM

ALL of our styles incorporate luxurious eco-friendly foam and are manufactured without CFCs (chlorofluorocarbons), using highly resilient 1.8 lb to 2.5 lb density. Decor-Rest foam consist of natural soya oils, fresh, abundant, domestically grown and sustainable, for a smaller environmental footprint.

SINUOUS SPRINGS SEATING

All seating is sprung with 8 gauge No-Sag sinuous spring construction. 5 springs per seat, plus a unique **SLING SPRING** on all sofa/loveseats provides extra support. Springs are attached to the North American hard wood with polyresin spring clips to prevent metal on metal squeaking.
